**LAKESIDE LANTERN**  
**SHARING THE GRACE OF GOD IN OUR 54TH YEAR**

**OCTOBER**

Greetings from your Pastor

Fall is in the air, did anyone notice? The wind from the northeast and the days are a bit shorter. Pumpkins will be arriving soon for our annual Pumpkin Patch and the anticipation of our Fall Indoor Yard Sale. After what turned out to be a busy summer at Lakeside we can now look forward to the hustle and bustle of our winter season. It will be good to welcome the return of our winter residents and their involvement in the life of our church. We have many new faces and new members in worship and fellowship each week and I encourage everyone to introduce yourselves if you see a new face.

Our focus for a few weeks now has been the power of prayer. We have experienced the need for fervent prayer for those in our congregation who are suffering from serious health concerns. I have always believed in the healing power of prayer. I have related the story of a young lady who is the daughter of dear friends of Nanci and I who was involved in a horrific car accident while visiting in Phoenix, Arizona. As she lay near death for three weeks in a coma. I felt the urge from God to travel with a friend to Phoenix just after the accident to lay hands on her and pray. God left me with the impression that I needed to go immediately and miraculous things would happen. I began to vision the outcome as we prepared to travel and on the flight to Phoenix. I got the feeling that when I placed my hands on her and prayed to God she would immediately wake up and get out of bed. We arrived in Phoenix after midnight and went straight to the Phoenix Children's Hospital Pediatric ICU where our friends were by their daughter's side. After grateful hugs we went in and prayed and asked God for immediate action. I must say I was a little stunned when she did not open her eyes and respond to us. And now after her recent two year milestone of recovery I see my impression of a miraculous healing and what God had in mind were very different. She is a beautiful fifteen year old child of God who continues to amaze us all with her spiritual maturity and insight into the Kingdom of God.

I have prayed for and anointed the sick. Wonderful things have happened, but I am certainly no healer. My simple, childlike faith takes God at His word. In James 5:15 he speaks of the "prayer offered in faith." I encourage you to pray for one another as we face life's trials. Just as I did not get the instant response I was expecting from God in the middle of the night in an ICU in Arizona, we still are first hand witnesses to the miracles God has for each of us. I wish this to be a normal practice in the church--when man backs away and lets God take center stage. Jesus gave us this advice in Mark 11:24 "Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."

Pray and Believe  
Blessings, Pastor David

#### The 345's Small Group

This past month, five of us met in our first meeting as a small group. Fun, Fellowship and Food...what more could you ask for! It was a great way to get started. Our group discussion was very informal but very thought provoking as our first topic was "Where did YOU see God today?"

The 345's group will meet every two weeks in the home of one of our members. Anyone and everyone is welcome but the group is designed for folks in their 30's, 40's and 50's who have busy lives but still need a little time to connect with others and study His Word. See Bob Going for more details or email him at [rgoing@regionsrc.com](mailto:rgoing@regionsrc.com). Our next meeting will be October 1st followed by October 15th. We hope to see you there.

#### Wish List for the Nursery

The nursery is in need of highchairs, a gate for the doorway, and a foldable play yard. If you have any of these items that you no longer need, please consider donating them to Lakeside's Nursery. Please see Christina Harden for more information.

**Nursery Volunteers needed:** As our Middle and High School age children will be staying in the regular church service with Miss Christina, we will be needing more volunteers to help Miss Teresa in the nursery each Sunday. If we could get enough people to sign up we could make up a schedule and rotate the responsibility so that no one has it too often. If you would be willing to help please see Teresa or Christina or call the church office 585-7519.

**MATTHEW MEALS—**

We want to thank all of those who generously donated to Matthew Meals last month. We appreciate your continued support. We are blessed each month to be able to serve our community by giving them a hot cooked meal, but we need your help. Lakeside's next Matthew Meals will be on Saturday, October 27th.

Volunteers are needed to prepare the food, serve the meals, and clean up the kitchen afterwards. Lakeside needs your help with these meals each month. Cooking begins around 1:30pm. The meals are served 4-6pm. in the Fellowship Hall. All are welcome.

**The Mission Jar Focus for October - December will be C.R.O.S . Christmas Gift Cards. The Finance Committee would like to thank everyone for being so generous during July, August and September. We were able to collect enough school supplies to give to five different schools in our community. It means so much to the children who are unable to afford their own supplies. It is also a huge help to the teachers who spend a large amount out of their own pockets each year to outfit their classrooms. Once again thank you.**

**Thank You's in the Mail:** We have received thank you letters from Lake Worth Community Middle School, South Grade Elementary School, Barton Elementary School, and North Grade Elementary School, all thanking us for the wonderful school supplies we provided for their students. They are so happy that we were able to help them.

**Card Ministry**

The Card Ministry has been quite busy! We are sending cards to shut-ins, new members, folks that are ill, and those that need to know Lakesiders care. Thank you for your donations of stamps, cash, and cards. With your support, we will be able to continue this much appreciated ministry.

Remember to stop by the "Card-signing Table" in Fellowship Hall after the Sunday morning service. The recipients are very grateful for your thoughts and prayers!

**UMM Indoor Yard Sale**

United Methodist Men will be having their famous indoor yard sale on Saturday, October 13th. It is not too early to start checking those closets for items to donate: Clothes, Furniture, Books, TV's, Electronics, Housewares. If you have items to be picked up or items to bring to the Church, call Frank at 588-0941 or Chris at 317-657-4033. Tell your friends, your neighbors, and your family; now is the time to get rid of those things that have been collecting dust. **GARDEN?** Please get in touch with Anne McCartney quickly if you are interested in planting (or donating) a garden plot for the 2012-13 Florida growing season. It will be best if you contact her before Oct. 30th. You don't have to plant before then, though. She can be reached at: 561-236-7223 (cell) or [anmccartney@bellsouth.net](mailto:anmccartney@bellsouth.net). Plots are still available for \$20 for the season. It would make Anne happy if there were more Lakeside people growing their own vegetables and flowers this season.
